

K-LOVE enriches the life of my family daily with it's positive and encouraging message and relevant information about events of interest in my local community. Many many listeners in our community would be terribly disappointed if K-LOVE were displaced by an LPFM broadcaster. KLOVE is a unique station that no other station could replace. KLOVE serves the public interest by sharing upbeat, encouraging music, a message of hope, forgiveness and redemption to the general public. Please do not allow the replacement of the KLOVE signal.
